PROFILE SUMMARY

Aspiring Software Developer skilled in **Java and React.js**, with experience in building scalable web applications and solving **data structures & algorithmic problems**. Passionate about Full-stack development, problem-solving and eager to contribute to a dynamic team.

EDUCATION

B-Tech in Computer Science	Sharda University	7.7 (CGPA)	[2022-2026]
Intermediate	S N S College	66 %	[2019-2021]
Matriculation	J M H School	79.4 %	[2018-2019]

PROJECTS

News Mania – Centralized News Platform with Real-Time Fake News Detection | React Native, Node.js, Firebase

- Developed a centralized platform to fetch articles from The Hindu, Times of India, and other sources.
- Added a note-taking feature allowing users to write and download notes in .txt or .pdf format.
- Technologies Used: React.js, Tailwind CSS, Python, Flask, Machine Learning, News API.

Netflix Clone | React.js, Bootstrap CSS

- Built a responsive Netflix clone with dynamic movie/TV show listings and an intuitive user interface.
- Implemented reusable React components for homepage, categories, and video previews to ensure scalability.
- Integrated Bootstrap CSS for styling and responsiveness, optimizing user experience across devices.

INTERNSHIP

SalesQueen Software Solution [Frontend-Developer]

(May-2024 – July-2024)

- Designed and maintained front-end components using React.js and core web technologies for seamless user interaction.
- React.js, HTML, CSS, JavaScript, Git, and VS Code.
- Improved website responsiveness and reduced load time by 30% using React.js optimization

SKILLS

Programming: - Java, C, JavaScript, HTML, CSS

App Development: - React.js, Bootstrap

Data Analysis: - MS Excel, MySQL

Tools: - VS Code, Git, GitHub

Concepts: - Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks

Soft Skills: - Communication, Teamwork, Problem-Solving, Time Management

ACHIEVEMENTS

- Completed **UpGrad** AI Certification, gaining practical knowledge in Artificial Intelligence concepts and applications.
- Earned Web Development Certification from **Udemy**, covering HTML, CSS, JavaScript, and React.js.
- Completed Machine Learning Course on **Coursera**, focusing on supervised and unsupervised learning techniques.
- Completed Data Structures & Algorithms Course – **GeeksforGeeks**.
- Certified in KYP Program – Bihar Skill Development Mission.
- Coding Profile: [Leetcode](#), [GeeksForGeeks](#)

CO-CURRICULAR/ EXTRA CURRICULAR ACTIVITY

- Volunteered at **Kartavya** NGO to teach underprivileged children and organize awareness campaigns. Contributed to initiatives promoting education and social development in local communities.
